

THE EASTERN NEURORADIOLOGICAL SOCIETY

February 2008

Dear Neuroradiology Colleague:

I would like to invite you to attend the 2008 meeting of the Eastern Neuroradiological Society (ENRS), August 21-23, 2008 at Nemaquin Woodlands Resort in Farmington, PA. This year's meeting promises to be a fun, relaxing, and an educationally stimulating getaway. We hope to see you there!

The 2008 program will feature talks on a broad spectrum of advanced neuroimaging and neurointerventional techniques. Emphasis will be placed on the integration of these evolving techniques into modern practice. Topics include high field imaging, functional MRI and diffusion tensor imaging, MR/CT perfusion imaging, pediatric neuroimaging, and head and neck imaging. Interventional neuroradiology of both the brain and spine is a key component of the meeting.

The program will also feature case-based and review lectures by renowned educators. The meeting should be of great value to residents and fellows preparing for board or CAQ exams. As always, the ENRS meeting will feature both the current and future leaders in our field.

Scientific papers are now being accepted for presentation at the meeting. All attendees are invited to submit an abstract. Oral presentations will be 6-8 minutes in length with 2 minutes for discussion. The deadline for receipt is **April 1, 2008** (papers submitted later than that date will miss the program-publishing deadline). Please list the title of your paper on the enclosed form. So that we may arrange for CME credits, submit your abstract on a separate sheet of paper, using the sample format enclosed. Submissions should be made by **e-mail** to **both** Clifford J. Eskey, M.D., Ph.D., at eskey@hitchcock.org and to Francine Hollowell, at francine.hollowell@emoryhealthcare.org (this is mandatory). Anyone wishing to give a longer presentation, or review lecture, may contact Dr. Eskey directly.

Please submit abstracts as early as possible. Let's make 2008 our best year yet!

Sincerely,

Clifford J. Eskey, M.D., Ph.D.
ENRS Vice-President/Program Chair

Donnatella Tampieri, M.D.
ENRS Co-Chairperson
