

Dear ENRS Members, Colleagues, and Friends,

First and most importantly, I hope you and your family are well during this challenging time. We are dealing with unprecedented times in the face of this pandemic locally, nationally, and globally. The ENRS leadership team has been monitoring the evolving COVID-19 pandemic, and have made the decision to transition the ENRS 32nd Annual Meeting into a virtual meeting. We know that this is the right decision. We can guarantee that the virtual 32nd meeting will offer the same high-quality teaching and science as in previous years. ENRS is not only an abbreviation for the **E**astern **N**euro-**R**adiological **S**ociety but can also be read as **E**xceptional **N**euro-**R**adiological **S**ciences. In order to accommodate most of you, the meeting will be scheduled in the US Central Time Zone. The ENRS 32nd Annual Virtual Meeting is scheduled for August 27 – 30, 2020 and will kick off promptly on August 27, 2020, at 8:00 AM, CST.

Additional information for speakers, exhibitors, sponsors, and others scheduled to participate in the meeting will follow this communication in the next week.

If you have any questions regarding the meeting, please contact us by email at [enrs@edusymp.com](mailto:enrs@edusymp.com).

Thank you for your patience and understanding as we navigate this crisis together.

Be well,

Thierry A.G.M. Huisman
